To whom it may concern:

I received paperwork from the Public Service Commission of South Carolina certified mail today about an upcoming hearing related to "The Wave Xpress." That was a small business I started for shuttling people from Myrtle Beach Airport. I am unsure why I received this certified mail because I closed the business almost two years ago. I sent letters to all the state agencies. I am unsure if you maybe you just didn't receive it or not. Either way, the business is closed. Please close out any information that needs to be closed and let me know if there is anything else I need to do.

Thank you in advance for your help.
